Familiar place

And every time, before I wake up, I think,
Isn't this real?

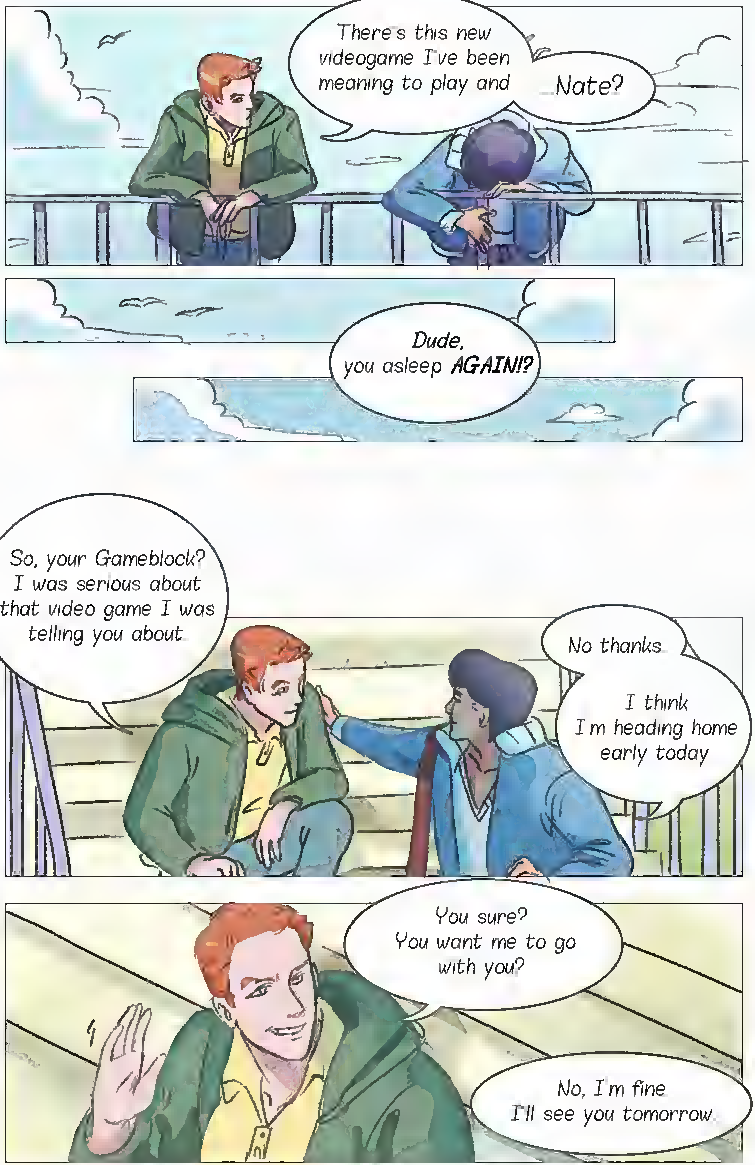
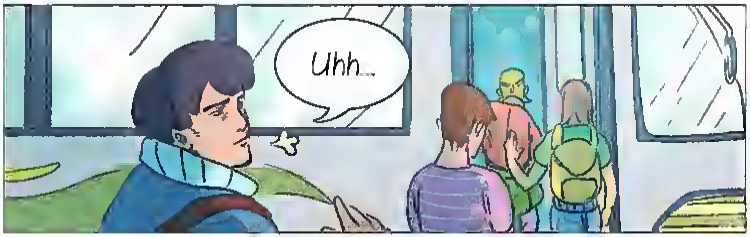
Carter.
Hey Nate!

Guess what's been happening right now?
No.
Come on, guess!
Still no.
You're no fun. Anyway, so Nicki got that new hair she was talking about and people are going nuts—
So then Ram just went and kissed Duncan! Can you believe it? And then—
Mm



There's this new videogame I've been meaning to play and
Nate?
Dude, you asleep AGAIN!?
So, your Gameblock? I was serious about that video game I was telling you about
No thanks
I think I'm heading home early today
You sure? You want me to go with you?
No, I'm fine I'll see you tomorrow

See you later!
See ya!



Uhh...

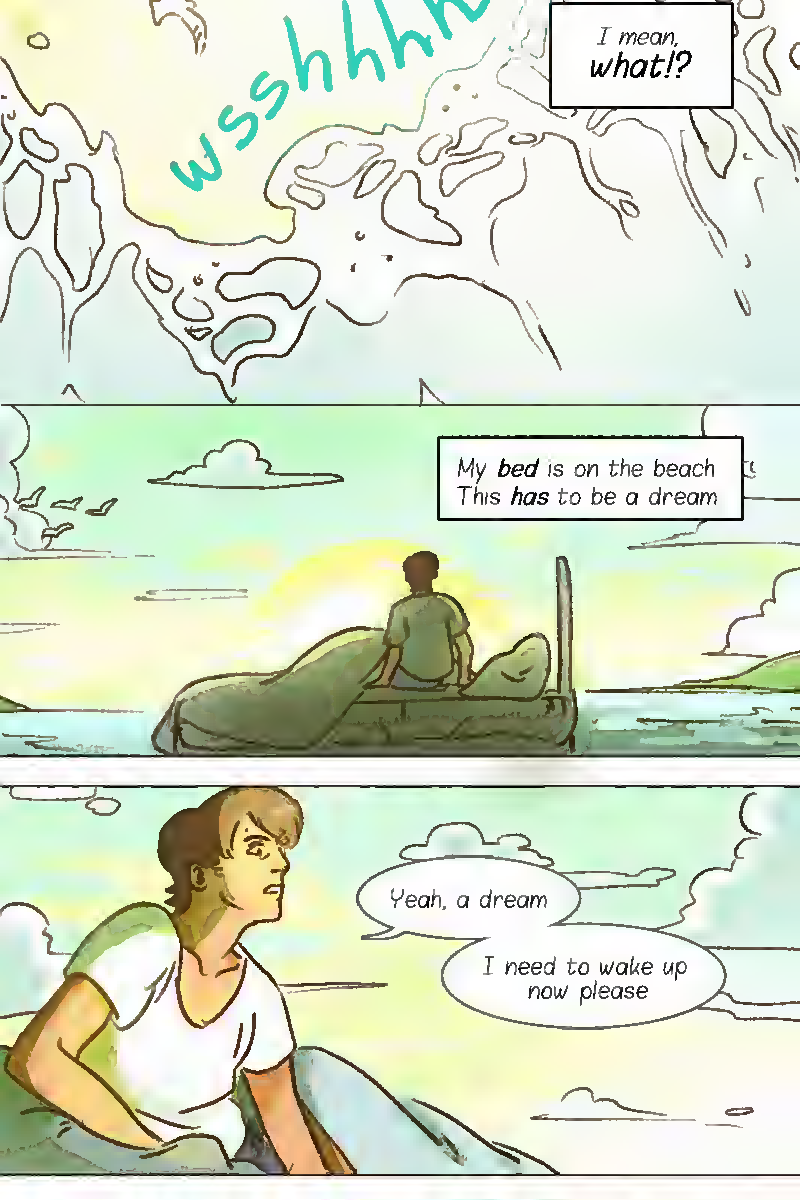
SHIT!
Wow.



wsshhhh
I mean, what!?
My bed is on the beach
This has to be a dream
Yeah, a dream
I need to wake up now please
